

INTRO PRICE PROMOTION

- time limited offer **ONLY £ 300,-**

With DigiScreen.co.uk you can take advantage of our introductory offer and have this amazing Infoscreen for your store, your restaurant, café, community or office.

On offer is a very stable and reliable digital signage solution, for the price of placing an advertisement in your local paper. If you have an exhibition coming up our Infoscreen is a perfect stable solution that takes up hardly any space, uses minimal power, and no internet connection is required.

There are no monthly fees to pay – we help you get started and are there for you whenever you need new content on your screen.

WHY WAIT? – CALL NOW ON +45 2725 1161
or read more on www.digiscreen.co.uk

Yes, the price is very low. This solution is supplied without a screen and that means that you can choose where you want to display your presentation. A new flatscreen TV from a local store? A designer model from Bang & Olufsen? A jumbo Tron at a stadium, or do you have an old flatscreen in the loft that you no longer use? See examples of our presentations on digiscreen.co.uk
